JUROR QUESTIONNAIRE

TO THE PROSPECTIVE JUROR:

You have been summoned by this Court for jury service in a criminal case entitled *United States v. ~~Elizabeth Holmes~~Ramesh “Sunny” Balwani*. In this case, the defendant, ~~Elizabeth Holmes~~Ramesh “Sunny” Balwani, is charged with wire fraud and conspiracy to commit wire fraud. The indictment alleges that ~~Ms. Holmes~~Mr. Balwani was the Chief ~~Executive~~Operating Officer (“~~CEO~~”)COO”) and President of Theranos, Inc., which was in the blood testing business. The indictment alleges that the defendant and ~~Ramesh “Sunny” Balwani~~Elizabeth Holmes, Theranos’ Chief ~~Operating~~Executive Officer (“~~COO~~”)and President,CEO”), knowingly and intentionally devised a scheme or plan to defraud investors in Theranos and paying customers of Theranos. The charges in the indictment are only allegations and not evidence. The defendant has entered a plea of not guilty to all of the charges in the case and is presumed to be innocent. It will be the ~~responsibility of the government~~government’s burden, through the trial, to try to prove those charges beyond a reasonable doubt.

As part of the jury selection process, each of you must complete this juror questionnaire. The questions on this form assist the Court and the attorneys in the jury selection process for this trial. This questionnaire is designed to obtain information about your background as it relates to your potential service as an unbiased, fair, and impartial juror in this case.

Unless the question states otherwise, the fact that a particular question is asked does not imply that the subject matter of the question is an issue in this case. As you read the questions, you are not to draw any inferences about the issues that must be decided in this case. The questions are not meant to invade your privacy but to help select a fair and impartial jury for this case.

If there is any reason why you might not be able to give both sides a fair trial in this case, it is important to say so. Please answer each question as fully as you can. Your complete honesty is essential. Do not leave any questions blank. If a question does not apply to you in any way, write “N/A” (for “not applicable”), rather than leaving the form blank. If you do not understand

JUROR # _____

the question, please write that in the space for the answer. If you feel the answer is too personal, please say so in the space provided. You will have the opportunity to discuss your answer privately. If you do not understand a question, need more space for your response, or wish to make further comments about any question, please use the extra sheets attached at the end of the questionnaire. If you use the explanation sheets, please make sure to indicate which numbered question you are answering.

The only purpose of this questionnaire is to determine whether, if selected as a juror, you could fairly and impartially decide this case based solely on the evidence presented at trial and the instructions about the applicable law that will be given by the Court. The Court and the lawyers know that every person has beliefs and biases concerning many things. You should answer with your true feelings, whatever they may be. Do not assume that any of your answers will qualify you or disqualify you from serving on this jury.

You are instructed not to discuss this case or questionnaire with anyone, including your family or fellow jurors. It is also important that you do not engage in any research such as searching for stories or reports on the internet or social media about this case or anyone or anything to do with it. You must not read or listen to any media accounts whether in a newspaper, on the internet, on television, or on the radio. Do not discuss or post anything about this case on any electronic or social media, including Facebook, YouTube, Twitter, Reddit, Instagram, LinkedIn, Snapchat, TikTok, email, text message, any blog, website or chat forum or any other media of any kind. You must not let anyone, including friends and family, court personnel, parties or persons involved in the case talk to you about your views or any aspect of this case until the court has so instructed you to do so.

~~Your answers are confidential. It is important that you understand that the Court is sensitive to your privacy. They will be reviewed by the Judge and the lawyers in this case. After a jury has been selected the original questionnaire will be returned to the Clerk of the Court and kept under seal and will only be disclosed, if at all, with names and other identifying information removed.~~Please answer each question as completely and as accurately as you can. The completed
